Press Release

RFID Global Solution, Inc. receives 2011 Best of Local Business Award

US Commerce Association Award Honors the Achievement

RESTON, VA, September 20, 2011 - For the third consecutive year, RFID Global Solution, Inc. has been selected for the 2011 'Best of Local Business Award' in the Software Category by the U.S. Commerce Association (USCA).

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community. RFID Global is based in Eldersburg, Maryland, and expanded in 2011 to Reston, VA and Palo Alto, CA, to better serve its national customers.

Nationwide, only 1 in 120 (less than 1%) 2011 Award recipients qualified as Three-Time Award Winners. Various sources of information were gathered and analyzed to choose the winners in each category. The 2011 USCA Award Program focuses on quality and growth. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties.

About RFID Global Solution

About U.S. Commerce Association (USCA)

U.S. Commerce Association (USCA) is a New York City based organization funded by local businesses operating in towns, large and small, across America. The purpose of USCA is to promote local business through public relations, marketing and advertising. The USCA was established to recognize the best of local businesses in their community. Our organization works exclusively with local business owners, trade groups, professional associations, chambers of commerce and other business advertising and marketing groups. Our mission is to be an advocate for small and medium size businesses and business entrepreneurs across America.
